I _____, an adult member on account _____, understand that I will continue to be billed the amount above, in addition to my regular The Alaska Club membership dues per month, for a minimum of 6 months from today's date. In exchange, any identified users will have access on an available basis to the services defined above. After 6 months, I understand that my Membership Plus does not automatically terminate. At any time following this period, I may choose to eliminate Membership Plus from my account by providing 30 day written notice. Notice may be submitted at Member Accounting at The Alaska Club East - 5201 E. Tudor Rd., Anchorage, AK 99507 or accounting@thealaskaclub.com. Notice to cancel the Membership Plus services does not act as a notice to cancel your The Alaska Club membership account.

Terms of this agreement require that one person on the account be charged the monthly fee of \$42 as long as there are multiple users on one account. If the 1st user opts to cancel at a future date, one of the additional users that pay a monthly fee of \$20 will assume the 1st user status and be charged at the rate of \$42 per month. Series sales packages that are currently on your membership account will be valid until used or the expiration date is reached. No refunds will be given for unused sessions. DVD rental late fees do apply if not returned under the normal policy guidelines. During the first partial month, members will receive all of the benefits they receive in a full month.
