I understand that my free trial will expire on \_\_\_\_\_ and after that, I will begin to be billed the amount above in addition to my regular The Alaska Club membership dues per month. In exchange, any identified users will have access on an available basis to the services defined above. I understand that my Membership Plus does not automatically terminate. If written notice is not received by Member Accounting by \_\_\_\_\_, my membership account will include the additional Membership Plus fee. At any time following this period, I may choose to eliminate Membership Plus from my account by providing 30 day written notice. Notice may be submitted at Member Accounting at The Alaska Club East - 5201 E. Tudor Rd., Anchorage, AK 99507 or [accounting@thealaskaclub.com](mailto:accounting@thealaskaclub.com). Notice to cancel the Membership Plus services does not act as a notice to cancel your The Alaska Club membership account.

Terms of this agreement require that one person on the account be charged the monthly fee of \$42 as long as there are multiple users on one account. If the 1st user opts to cancel at a future date, one of the additional users that pay a monthly fee of \$20 will assume the 1st user status and be charged at the rate of \$42 per month. Series sales packages that are currently on your membership account will be valid until used or the expiration date is reached. No refunds will be given for unused sessions. DVD rental late fees do apply if not returned under the normal policy guidelines. During the first partial month, members will receive all of the benefits they receive in a full month.

I understand that I have taken advantage of the offer of free Membership Plus through \_\_\_\_\_. If written notice is not received by Member Accounting by \_\_\_\_\_ my membership account will include the additional Membership Plus fee. Initial \_\_\_\_\_
