

THE ALASKA CLUB

Corporate Agreement

Subsidizing or partially subsidizing the cost of a The Alaska Club membership is completely optional. Should you choose to, covering some or all of the cost of your employee's The Alaska Club membership can have a significant impact on their energy, health and their focus. Organizations that subsidize their employee memberships agree to give The Alaska Club Member Accounting (337-9550 ext. 1124) sixty-day prior notice to discontinuing the subsidy of membership dues for its employees in general.

MRV Architects will notify The Alaska Club if anyone for whom it pays a subsidy is no longer employed there and shall be responsible for the dues subsidy of terminated employees prior to this notification. All employees are individually responsible for cancelling their membership commitment. MRV Architects subsidizes/reimburses their employee's membership(s) at the amount of 50% per individual membership.
