Baseball Trade

Beginning June 1, 2025, we are providing the Anchorage Glacier Pilots, Anchorage Bucs, Chugiak/Eagle River Chinooks and Mat-Su Miners players, coaches and staff a temporary summer Gold Fitness Membership at The Alaska Club.

Players must enroll online at <https://join.akclub.com/past-member-choose-location/>. The site will be adjusted to say **Alaska Baseball, Free June and July**. Players will be asked to note what organization they play for in Notes to Accounting. Players are also asked to Put Baseball in the banking info, and fill out payment with all 1's.

If a baseball player is in club and wants to enroll, membership can support within club enrollment sites.

Accounting will verify enrollments/players via mytac (Baseball Rosters). Any baseball players not listed on roster will not be eligible or activated. Accounting will issue a temporary member number when confirmed.

The Agreement

There will be no enrollment fee or dues for the players June 1-July 31st, with a few exceptions as yearlong memberships*. You must verify the player's name on the appropriate team roster posted on www.mytacnet.com. Please check identifications to issue scan card. This special membership does not allow charging privileges.

These memberships are NOT counted as a sale in your daily and monthly totals, nor are they counted toward your goal.

- Mat-Su Miners team members can sign-up <https://join.akclub.com/past-member-choose-location/>
- Anchorage Bucs and Glacier Pilots can sign-up at <https://join.akclub.com/past-member-choose-location/>
- Chinooks can sign-up at <https://join.akclub.com/past-member-choose-location/>

When teams are at away games in Anchorage, Eagle River, Mat-Su or Fairbanks, players and staff can access the corresponding club. Team rosters will change during the first month, as players get cut and/or injured. The roster will be updated based on the removal and addition of players.

Questions? Contact Tracy Dumas at 907-264-2739.

*Coach from Anchorage Bucs (Shawn Maltby and family) have a year-long membership, as he also acts as a coordinator for the entire ABL.
