The Alaska Club
Anchorage/Wasilla/Eagle River
Limited Physical Therapy Program Options

Physical Therapy program protocol and agreement:

The Alaska Club is now offering the opportunity for approved and qualified Physical therapy groups and the therapists/assistants who are employed by these entities the option of bringing their clients into The Alaska Club facilities for a two week period of time. Clients who are existing members would have the benefit of a qualified therapist helping them to integrate back into a normal/healthy routine. Clients who are non-members would have the same two week window of time with the added opportunity of becoming a member of The Alaska Club with \$0 enrollment with any 1 year agreement.

All participating Physical Therapy groups and therapists/assistants must have on file at The Alaska Club a current list of all qualified therapists/assistants and a copy of their certifications, degrees and/or licenses that apply to physical therapy. All participating therapy groups must have on file with The Alaska Club a copy of their business liability insurance with a minimum of \$1 million in liability per incident that lists The Alaska Club as additionally insured.

- All participating therapists/assistants and patients, who are not members, must sign the guest register each and every time they come into the club. Please read the waiver at the top of the guest register and fill in all requested information, both therapist and patient, upon every visit into any of our club locations.
- The therapist/assistant will identify themselves to the front desk staff and manager for verification. Please have all therapists/assistants wear a name tag and be able to provide proof of employment when requested.
- Non-member will bring in a signed physical therapist's exercise recommendation pad/paper to the membership office upon initial visit to the club to obtain two 1- week passes. The 1-week passes will be obtained from the membership office for this program and the contact information will be documented in a log book for tracking. The passes will be dated to expire two weeks from the initial visit.
- Non-member must be accompanied by an approved therapist/assistant at all times during this two week trial period while in any of The Alaska Club locations.

- Non-members will receive a flyer containing information about the \$0 enrollment offer and all of the benefits and amenities of becoming an The Alaska Club member upon their first visit. This special offer is only for the limited two week that you bring the patient into the club.
