

THE ALASKA CLUB

Uniform Compliance Agreement

Personal Trainers

Your appearance should always be neat and tidy and you should be wearing appropriate uniform as described in this section for your position. Shirts, if not tucked in, may hang no lower than the wrists while hands are relaxed at your side. Tight fitting pants or risqué attire are not acceptable (unless they are professional looking yoga pants or manager approved workout pants). All clothing should fit comfortably, but not be overly loose or tight. All clothing must be clean and neatly pressed. No hats may be worn by either men or women. Please bring any questions or doubts in regards to proper attire/appearance to your manager's attention. Your manager will address any concerns regarding attire and will also regularly inspect attire for evaluation purposes. The product we present to our members and potential customers is reflected greatly by our appearance. It is our constant pursuit to portray a conservative, professional and distinguishable appearance.
